UNIQUE MEDIA SCHOLARSHIP

The Kennedy Foundation is proud to announce the establishment of a scholarship for a young aspiring and newly graduated journalism student in partnership with 7NEWS, and it's now open for applications!

This is an opportunity not to be missed. Apply for the Kennedy Foundation 7NEWS scholarship now!

The Kennedy Foundation Scholarship will provide 12 weeks of in-house comprehensive work experience across 7NEWS media platforms such as; broadcast television, online and social media. Spread the word. This is a rare and unique opportunity for the best of your students.

The scholarship is open to all undergraduate and postgraduate journalism or media students up to the age of 30 who do not receive the majority of any income from journalism.

The lucky recipient will receive a \$12,000 stipend for the 12-week duration of the scholarship. So, use your mid-semester break to the fullest and circulate it amongst your students and most recent graduates.

This new initiative will become part of the Kennedy Foundation's expanded direction in supporting young aspiring journalists wishing to enter the industry.

The scholarship winner will experience the real high-pressure world of modern journalism in all its forms, and we thank 7NEWS for their enthusiastic partnership in this endeavour. Entries are open from April 3, 2023, and close on June 5, 2023.
